

Consecration to St Joseph in the Year of St. Joseph

1st Night February 15th
Date of Parish Consecration March 19th

We will start Monday February 15 with a 3-night prayer service at Incarnation (Livestream) leading to Ash Wednesday

March 19 we will do the Consecration as part of the Stations of the Cross (either right before or right after) in multi-language

Every day, we will ask the people to do the following:

- Pray the Litany of St. Joseph
- Pray for someone they know who is a Father, Step Father, Foster Father, God Father, or a Father figure in their life, and dedicate that day of prayer to ask St. Joseph to intercede for that Father (if they are a Father, they can pray for themselves)
- Pray for Vocation to the Priesthood (Spiritual Father) by praying an Our Father for Priests and by praying the Bishops Vocation Prayer
- During the time of Preparation for Consecration, go to confession to a priest.

On March 19, they will join (in person at the parish or in their homes online) and pray:

- The Litany of St. Joseph
- The Our Father
- The Prayer for Vocations
And
- The prayer of Consecrations (which we will have translated in the many languages of the Parish and have paper copies of in church and put online as well.)
